

THE H.D. NEWSLETTER ASTROLOGICAL CHART

This chart was sent by Silvia Dobson as a well-wishing gift to the HDN effort. She maps only the planets in the houses. Her summary of this configuration: "An interesting grouping. Hard work, delays, intense growth, discovery. We tackle new ground." The chart on page 6 is a rendering of the complete horoscope of the HDN, to which Cassandra Laity refers in her subsequent reading. A facsimile of H.D.'s astrological chart, to which she also refers, is found in PR 169.
